

MADISON™

POWDER COATING

Keep in mind, All prices include abrasive blasting, thread masking, or other preparations as needed. Parts are to be free from any plastic, rubber, bearings, excessive dirt, oil, and grease.

Prices are for single stage coating using in stock colors. Special order colors will incur an additional charge to cover cost and shipping.

Cast parts such as aluminum as well as clad items such as chrome plated parts may experience “out gassing” which is bubbles in the powder coating caused by gasses escaping the part during curing in the oven. We will take every precaution to avoid this but we cannot be held responsible for any bubbling caused by porous castings or clad items.

Clear coat is REQUIRED over most chromes, metallics, silvers, and certain other colors. Clear coating of any part adds 50% to the price. Multi-stage coatings add 50% per stage.

If your item is not listed in our price lists please let us know what you have and we will work with you to get the job done.

*****Prices are minimums and subject to change without notice.*****

Automotive parts

A-arms (pair)	\$90	Clutch	\$30
Air cleaner (S/M/L)	\$35/45/55	Nerf Bars	\$100
Alternator housing	\$40	Oil pan	\$40
Alternator fan	\$10	Pulleys	\$15
Axel housing	\$125	Power steering box	\$60
Battery box	\$20	Radiator mounts	\$20
Brackets (S/M/L)	\$10/15/20	Spindles	\$30
Brake drum	\$35	Springs (coil/leaf)	\$60/125
Brake rotor	\$50	Thermostat housing	\$15
Back plate	\$35	Third member	\$75
Dust Shield	\$20	Tie rods	\$25
Calipers	\$45	Timing cover	Starting at \$20
